## BOARD CHAIR'S LETTER

*"Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has." – Margaret Mead*

### Dear Friends of the Foundation:

The quote above is one of my favorites. When I think about that small group of women who gathered at my kitchen table, week after week, during the spring and summer of 1999...I always think of this quote. We were that small group of thoughtful, committed citizens that created an organization that has had a significant impact on our little corner of the world and will continue to make an impact for decades to come.

Rome wasn't built in a day, and neither was The Community Foundation. Our very first impact on the community came with the Woodbridge Fire on December 23, 1999. The Foundation spear-headed the community effort to "make whole" the 55 families who lost everything that day. The outpouring from our area and surrounding areas was astonishing. In just a few short days, we filled a warehouse with toys, clothing, food, furniture and cash! Remarkably, after taking care of every need of the 55 families, there was enough "stuff" to give truckloads to the thrift stores/food shelters in the tri-state area plus ship toys and clothing to South America and Europe. That, my friends, was my introduction to the goodness and love of the people in our community.

A Community Foundation is about building a "pot of charitable dollars" to be used to meet the needs of the community and the people who live here. So, raising those dollars was paramount to our newly formed organization. Because we evolved from the Key Event Fundraiser, we immediately acknowledged and made a Board decision that one of our goals was to have fund raisers that would bring the community together to celebrate...while, at the same time, raising funds to be used to do good here at home. The Board still follows that philosophy yet today.

The Board also decided that we needed a "pot of money" to pay for the operations of the Foundation as we wanted to get to the point that all the money raised at fundraisers would be used for charitable purposes. While we had a vision for what the Foundation would mean to our community in the long run, as in all worthwhile ideas and initiatives, it takes money to make it happen. So, in 2002, I began speaking to families and businesses explaining the vision of what the Community Foundation would mean to our community and asking for their financial support. That first ask for a significant gift of \$25,000 was made to Dick Clarke as we were having breakfast at Bob Evans in Union Centre. When he said YES...I couldn't believe my

ears....I was ecstatic! That began the campaign to raise \$5M for the operations of the Foundation. Now, 12 years later, we have 30 Founding Families, 35 Founding Businesses, 21 Anniversary 80 Families plus 40 Community Supporters totaling \$3.4M in our Forever Fund, the operating fund endowment to secure the existence of The Community Foundation of West Chester/Liberty FOREVER!

Those early years brought a lot of change. Did you know that we had 2 prior names before settling on "The Community Foundation of West Chester/Liberty"? But, through it all, we forged on with the support of so many great people in our community. At 5 years, Paul Szydowski wrote our history so that we could capture our story and the stories of the Founding Families who made it all happen. We still have copies of this book available at the Foundation, and for a \$25 donation...you could own one! With several members of our Founding Families deceased, the book is a step back in time. It is also a look at the history of our community as well.

By 2003-2004, we had Funds opening and Board Funds being established. Board Funds are those Funds set up by the Board to address needs determined in our community. The Angel Fund and Kids2Kamp are two such funds. Our Youth in Philanthropy Fund (YIP) is also a Board fund established to educate our teens about all aspects of charitable giving.

Today, we celebrate the Foundation granting more than \$3.8M to benefit the community of West Chester/Liberty and beyond. With more than 170 Funds doing charitable work, the Community Foundation holds assets totaling more than \$11.2M! Never doubt what a small group of thoughtful, committed citizens can accomplish!

Officially, this is my last letter as the Board Chair of The Community Foundation of West Chester/Liberty. All good things must come to an end, and while I am stepping down from the Board as I have reached term limits, I am not going far. I will be retaining the CEO title and will continue to oversee the business affairs of the Foundation. However, I am leaving the Board of Directors and will turn over the Chairmanship to the very capable hands of Dan Benhase. Dan and his wife, Donna, are a Founding Family and together

they are great proponents of the Foundation. Dan was born and raised in West Chester. Dan had a long career in finance and recently retired from Huntington Bank where he served as the Senior Executive Vice President of Huntington Bank as well as holding the titles of Director of Wealth Advisers and the head of the Government Finances and Home Lending Group. He is intelligent, energetic and a passionate philanthropist. Dan has extensive Board experience and is a natural leader! I am thrilled that he will be leading the Foundation, and when you get to know him, you will be too!

In closing, thank you to the current and past Board Members, Advisory Board and Board Committees for their service to this community. Thank you to our Staff...Melissa, Nancy, Lindsay, Karen and Annette for the tremendous job they do each and every day. Thank you to our event chairs, Shellie Leder and her Shuffle Committee, Gail Jackson-Miller and her Key Event Committee and Todd Bonnell and his Community Golf Classic Committee for their leadership and tremendous success in 2013. Thank you to my mentor, partner, critic and the love of my life, my husband ...Dick. Thank you to our Business Sponsors, our in kind sponsors, our volunteers and most definitely, our Donors. You have made it all possible.

It has been my honor and privilege to work with each and every one of you. Thank you for being there for this community. Thank you for being there for me during the good times and the bad. I will never forget the great things accomplished because this community pulls together...and you care. Together, we have made our community a better place and have built the FOUNDATION for even better things to come!

With love, gratefulness and a wish for abundant blessings to you and yours,

Patti Alderson  
Board Chair and CEO

## TYPES OF CHARITABLE FUNDS

The Community Foundation of West Chester/Liberty prides itself on matching donors with causes important to them. The Foundation has more than 170+ charitable funds created by individuals, families, businesses and nonprofit organizations who have chosen the Community Foundation to assist them in their charitable giving. Based on the goals of each donor, the Foundation is able to assist in determining whether they should support an already established fund or begin one of their own. If the donor has an interest in creating his/her own charitable fund, it can be customized to support a favorite charity(s) or need(s) in the community. Our staff works closely with each of our fundholders every step of the way. From determining how much or how little they want to be involved to deciding the best name for their fund, the Foundation is there to provide the best assistance.

Funds can be created using assets such as cash, stock, securities, real estate, life insurance or private foundation assets. Additional contributions can be made at anytime or through a planned gift. Contact the Community Foundation's professional staff to discuss how you can create a fund of your own today!

**The Community Grant Fund** enables donors to make charitable gifts for the benefit of the entire community. If you make a donation to The Community Foundation with no restrictions placed on your gift, it will be placed into this fund. Also, a significant portion of the proceeds from our fundraisers, such as, The Key Event and Community Golf Classic are placed into this fund. The Community Grant Fund allows the Foundation to respond quickly to pressing community needs by expanding services and programs and creating partnerships to leverage grant dollars. Grants are recommended by the Foundation's Community Grant Committee, with approval by the Board of Directors, to organizations and initiatives that enhance the quality of life in West Chester/Liberty.

**Agency Endowments** are established by a charitable organization to support their mission and goals. These funds help create a steady stream of income for the Agency's operations, programming and other organizational needs.

**Scholarship Funds** provide an opportunity to help students achieve their educational goals. Scholarship funds can be designed for any level of education from pre-school to post-graduate work. Donors may designate particular eligibility requirements, field of study or a specific geographic area.

**Donor Advised Funds** provide an opportunity for donors to recommend distributions to specific charities at their convenience. Donors obtain an income tax deduction for the value of appreciated assets at the time their gift is made to their Donor Advised Fund at the Foundation. A Donor Advised Fund allows the donor the opportunity to combine income tax planning with charitable giving. The Donor Advised Fund also gives the Donor the freedom to make grant recommendations to charities of their choice within their own timeframe.

**Designated Funds** are established by the Donor whose intent is to have their gift benefit a designated charitable organization or purpose. These funds create a permanent endowment, thereby giving long-term support for their charitable organization or purpose.

**Field of Interest Funds** are the perfect choice for donors who wish to support a geographic area of their choice or a particular interest, such as, the arts, environment or children.

**Deferred Gifts** allow donors to leave a charitable legacy. The three major types of deferred funds include bequests, charitable remainder trusts and life insurance policies. Our staff would be happy to discuss the benefits of these contributions with you.

### GIVING CARD

## 2013 LAKOTA EDUCATORS OF EXCELLENCE

The Lakota Educator of Excellence Award was created to provide an opportunity for the community to celebrate the hard-work, dedication and talent of local educators. The selection committee, consisting of Lakota administrators and community representatives, chooses two recipients from a pool of deserving nominees to be presented with the award and a \$2000 grant for the implementation of a special project or program at the recipient's school.

### **Amy Smith, Endeavor Elementary**

Those who nominated Amy Smith expressed that there is no teacher more deserving than she to receive the Educator of Excellence Award. Amy is described as a compassionate and caring teacher who goes above and beyond for her students. She is often spotted at her students' sporting events and dance recitals, and has been known to call parents at home after school hours just to update them on something their child accomplished that day at school. Amy works to ensure that each of her students' needs are met, whether that means enhancing curriculum for students who excel in a particular area or setting aside individual time for a student who might be struggling. Beyond academics, Amy prepares her students for success in life by teaching them empathy and compassion for others and by building their self-confidence. The heartfelt nomination letters are a testament to the lasting impact that Amy Smith has made on her students, their parents and the whole Endeavor Elementary community.

*"Amy is the kind of teacher that every parents hopes and prays their child will get."*

### **Dean Hume, Lakota East High School**

The majority of nominations for Dean Hume to receive the Educator of Excellence Award came from former students who, under his tutelage, were on the staff of *Spark* the award-winning student-run newsmagazine at Lakota East High School. Dean founded *Spark* and has since been the faculty adviser, although he takes no credit for the publication's success instead crediting his talented students. Dean Hume is known at Lakota East for his unorthodox approach to education. One student describes her first day in Dean Hume's class, "He shut off the lights and climbed onto a table...he explained that as our time in the Journalism program went on, the lights of the world would turn on so we could see it for what it truly is." Former students comment on how he saw in them what, oftentimes, they didn't see themselves and pushed them to fulfill that potential. Dean would stay after school when his students needed to work on a story and would be there with them on deadline weekends when the pressure was on to put out another excellent issue of *Spark*. Dean Hume is truly committed to his students.

*"It is fitting that the newsmagazine he created is called Spark because that is exactly what Dean Hume finds in each of his students."*

## BOARD DESIGNATED FUNDS

### THE ANGEL FUND

The Angel Fund provides one-time financial support to families and individuals in West Chester and Liberty Township who find themselves in hardship, through no fault of their own, and whose need cannot be met elsewhere. Recipients are nominated to the Fund by an "Angel" who has approached the Foundation to help a person or family in crisis. Committee members work with local social service agencies to ensure that the one-time assistance is sustainable.

The 2nd Annual "On the Wings of Angels" fundraising event was held at Jag's Steak and Seafood and raised more than \$30,000 for the Fund. The evening featured a special menu prepared by Chef Michelle Brown, as well as, a live and silent auction.

### THE HEROES' FUND

The Heroes' Fund provides one-time financial support to combat veterans, and their families, living in Butler, Warren and Hamilton Counties. The Fund also works with area veteran's organizations in their efforts to support our local heroes.

The Heroes' Celebration, held in November, is both a fundraiser and an evening to honor our military veterans. The 2013 event, which featured the Big Band sounds of The Tom Daugherty Orchestra, as well as, keynote speaker Major General Gregory Waytt, raised more than \$16,000 to support the mission of the Fund.

## YOUTH IN PHILANTHROPY (YIP) FUND

The Youth in Philanthropy Fund is an initiative of the Community Foundation designed to introduce local high school students to philanthropy, fundraising and community development. The program provides hands-on experience that benefits both the participating students and local charities. Students raise money, build endowment funds and make grants to local non-profit organizations. In 2013, YIP supported a variety of organizations including Reach Out Lakota and the Lakota Athletic Participation Fee Fund.

Also this past year, members of the YIP Advisory Board traveled to Washington DC to tour our nation's capital. The students were afforded the opportunity to ask direct questions of House Speaker John Boehner and received in-depth tours of Ford's Theater, the Library of Congress and the United States Capitol Building. The trip was organized as a result of the students not only meeting their fundraising goal for the 2012 - 2013 school year, but surpassing it by more than 20%.

## THE POWER OF THE PURSE FUND

The Power of the Purse (POP) Fund seeks to educate, inspire and increase the number of women committed to philanthropy. Quarterly, POP members host social events where they work to solicit and review requests from area non-profits and recruit new members to join their effort. Together, members vote on the organization(s) to receive their annual grant award. Membership is open to the public, with the kick-off held in late summer. The final grant awards are presented at the Power of the Purse Annual Gala in December. In 2013, POP members pooled their financial resources, each making a \$100 contribution, to award a combined total of \$11,250 to The Angel Fund, Lungs on the Run Fund and A Kid Again.

## 2013 COMMUNITY FOUNDATION EVENTS

The Community Foundation's three annual fundraisers are not only a means of raising dollars, but are also a way to bring the community together. Our 2013 fundraisers enjoyed another record-breaking year, in terms of attendance and net proceeds, thanks to the generous support from our sponsors and participants. Funds raised at these events support the Foundation's Community Grant Fund and Operating Fund.

### THE SHAMROCK SHUFFLE

For the second year in a row, the Shamrock Shuffle earned "Best of the North", awarded by Cincy Magazine, in the category of Charity Race.

In 2013, the event drew nearly 5000 participants for the 5k Run/Walk, 10k Run and Children's Fun Run. The day concluded with a Community Block Party at Union Centre Square.

The "Shuffle Gives Back" program saw its highest participation to-date, granting more than \$26,000 back to the community. Through this initiative race participants form teams to raise dollars for the charity of their choice.

2013 Shamrock Shuffle proceeds totaled more than \$67,000 under the direction of event co-chairs Shellie Leder and Melissa Benedict, in cooperation with Lindsay Wiseman, Pam Shrout, the Union Centre Boulevard Merchant Association and West Chester Township.

### THE COMMUNITY GOLF CLASSIC

The 14th Annual Community Golf Classic hosted 200 golfers at both Wetherington and Four Bridges Golf and Country Clubs. Combined with the post-outing Dinner and Auction at Wetherington, the event raised nearly \$90,000.

## THE 20<sup>TH</sup> ANNIVERSARY KEY EVENT

In 2013 the Foundation celebrated the 20th Anniversary of The Key Event. Under the leadership of Gail Jackson-Miller and her committee of dedicated volunteers, the event raised a record-breaking \$168,000!

This signature event hosted 600 guests for a cocktail party and auction at The Marriott, before enjoying a unique dining experience prepared by a professional chef at one of 30 host homes around West Chester and Liberty Township.

Guests are invited to an after-party at the home of Dick & Patti Alderson for live music and dancing.
